Re: 2025 Lamoille County Field Days Sponsorship

Dear Friends of Lamoille County Field Days;

On behalf of the Lamoille County Field Days board, welcome to the 2025 county fair season! This year's fair is July 18th, 19th and 20th. On average, we approximately have ten thousand (10,000) attendees and we are looking forward to this year's fair.

We are sure you know there are many expenses with putting on a county fair. We rely on many different revenue sources in order to meet these expenses. Our main gate cost will not increase this year, but we are also striving to keep our gate prices comparable to other fairs in the area. As with all things, our costs are going up and we are also finding we have less volunteers, which requires us to hire some work to get the work done. **Sponsors** and vendors are very important revenue sources that make it possible to keep our gate costs affordable. As a sponsor, you may designate an area you wish your donation to support or it can be a general fair support. Each event will have sponsorship board or an area where a Sponsor's banner can be displayed.

The State of Vermont is also a huge supporter of the fairs. They provide grants for ground improvements, ground maintenance, and Field Days must match 15% of the grant amount. They also provide stipends to help with maintenance, prizes, and premiums. Here are some of the improvements we have made to our grounds thanks to the State funded grants and the support of the community:

Previous Years	2023 & 2024
Bathroom Trailer	Harlow Hall Complete Rebuilding
Complete Rebuilding of the 4-H Building	Water Works
Re-siding of the Animal Barn	Horse Arena
Animal Wash Station	
Food Booth	
New Pens for the Animal Barn	

Enclosed is our Sponsorship form. We offer many sponsorship levels in hopes you can find a level that works for you. We are asking that you return your sponsorship form by May 31, 2025, in order for us to get our brochure completed and to the printer on time. Donations after that date are still welcome and will get recognition at the fair but may not make it into the brochure.

Lamoille County Field Days is a 501c3 non-profit, for your records. Please let us know if you need any additional documentation. We will give one admission-only pass for each \$100s donated.

We appreciate and need our supporters in order to continue our fair. We look forward from hearing from you and thank you for your support.

Sincerely,

Lamoille County Field Days Directors
